*Del Mar, California, December 3, 2014* – Del Mar Aesthetic announced today that it will celebrate its 5 year anniversary and Client Appreciation Black Diamond Event with special recognition for its nurses who volunteer for *Change In Action* – a nonprofit committed to removing visible reminders of sex trafficking, domestic and gang-related abuse. The special event will be held on Thursday, December 4, 2014 from 5:30 – 8:30 pm at Del Mar Aesthetic, 13983 Mango Drive, Suite 102 in Del Mar, CA 92014. Clients will be treated to complimentary wine & hors d'oeuvres, a gift for attending and extra gift for bringing a friend, as well as a chance to win raffles prizes and event-only savings.

The evening promises to be inspiring as survivors speak to attendees about the dramatic impact *Change in Action* has had on their lives. “We are pleased to celebrate both *Change in Action* and our valued clients, who have enabled us to do more of what we love,” said Mary Anne Fuchs, MD and founder of Del Mar Aesthetic. Del Mar Aesthetic nurses to be honored include Laurie Pindel, Patti Abramson, and Gina DeMers.

“To be free of the physical reminders of abuse and exploitation enables survivors to move forward with their lives,” said Ronda Petersen, *Change in Action* Founder and *Del Mar Aesthetic* Director. “We are grateful to be able to give back to the community in this meaningful way, and feel very rewarded to be a part of their journey of healing.”

In addition to celebrating 5 years in Del Mar, Del Mar Aesthetic was recently recognized with Allergan's Black Diamond Award, earning a spot in the prestigious top 1% of aesthetic practices nationwide.
